Statement of Product Compliance regarding RoHS Directives.

General Compliance

RFTechnics has completed a comprehensive evaluation of its product range to ensure compliance with RoHS Directive 2002/95/EC regarding maximum concentration values for substances. As a result all products are manufactured using raw materials that do not contain any of the restricted substances referred to in Article 4(1) of the RoHS Directive 2002/95/EC at concentration levels in excess of those permitted under the RoHS Directive 2002/95/EC, or up to levels allowed in excess of these concentrations by the Annex to the RoHS Directive 2002/95/EC.

Due Diligence

RFTechnics will make every appropriate effort to ensure compliance regarding maximum concentration values for substances as defined in RoHS Directive 2002/95/EC. However, companies that manufacture Electrical or Electronic Equipment and are obliged to ensure compliance with RoHS Directive 2002/95/EC must bear the responsibility of ensuring that their obligations regarding the appropriate laws and legislation are observed. RFTechnics makes no warranties, expressed or implied and assumes no third party liability in connection with any use of the information in its statements of compliance.
